- Following the best ever KS5 results in 2008, results were again pleasing in 2009.
- The pass rate was 98% with 38% of passes being at A or B grade and 71% of the passes at grade C or better.
- The most significant aspect of these results is that Cator Park is a fully inclusive 6<sup>th</sup> Form and all students who pass the level 2 threshold of 5 A-Cs are given the opportunity to attend.
- Consequently the school's 2008 value added score has placed the school in the top 10% of schools and was the highest of all Bromley schools.
- The 2009 value added score is again significantly higher than expected and indicates progress and teaching to be in the top 25% of all 6<sup>th</sup> form institutions including independent and selective schools
